ATHENS HIGH SCHOOL ATHLETICS COVID-19 SPECTATOR EXPECTATIONS

- At this time, we are limiting the capacity of our stadiums and sports arena/gym to allow for social distancing. Spectators are asked to only sit with members of your own household, and not within 6 feet of another household.
- Any child attending the game must sit with their family, and will not be allowed to roam freely as in years past.
- Hand Sanitizer stations are located in several places in the stadium and near the concession stands. Please use hand sanitizer as you enter and exit the stadium.
- Spectators must wear a mask or other facial covering that covers the nostrils and mouth at all times, while within 6 feet of a person from another household. Limited exceptions are allowed for children who have not entered the 2nd grade.
- Concessions will be available. While waiting in the line, we ask that everyone maintain 6 feet from the next person in line.

While we all may have differing opinions about requirements due to Covid-19, we all agree that we want to see our students get the opportunity to play the games they have worked so hard for over the last few months. We all want the games to continue. Therefore, it is our responsibility to follow guidelines and expectations that are in place to ensure safety for everyone. If we all do our part and make personal responsibility a priority, our students can have a great season.

Personal Responsibility

To help ensure the safety of our staff and visitors:

- Everyone must wear a mask/facial covering (unless one of the Governor's exceptions applies).
- Do not attend if you are currently experiencing, or have experienced, Covid-19 symptoms in the past 10 days.
- Do not attend if you have tested positive for Covid-19 in the past 10 days.
- Do not attend if you have been exposed to someone with Covid-19 in the past 14 days.
- Use social distancing guidelines at all times.
- Keep your family together while attending athletic events.
- Use proper and frequent hand sanitation.
- Guests must pick up their own trash and dispose in the trash receptacles before leaving the event.
- Indoor athletic facility gates will open no more than 45 minutes prior to competition play with a ticket.
- Outdoor facility gates will open no more than 60 minutes prior to competition play with a ticket.
- Upon completion of the competition, fans, parents, and all non-essential personnel will be required to exit the facility immediately or as safely as possible considering the size of crowds.
- During tournament play, visiting head coaches may remain in the facility to observe other team competitions as long as social distancing and masks guidelines are followed.
- There will be No passes out once you enter the facility. Bring everything with you when you are entering.
