

i ACADEMY AT  
ATHENS ELEMENTARY

June 28, 2021

Dear Parents:

We are making plans for an exciting 4 day Kindergarten camp at Athens Elementary. Now is the time to enroll your child and join us!

The Innovation Academy at Athens Elementary School (iAcademy) is pleased to offer a unique learning opportunity for your child this summer. Kinder Kamp is a 4 day program, Monday-Thursday, designed for children entering kindergarten this fall. The dates for the program are July 19-22, from 8:00 a.m. to 11:00 a.m. Kinder Kamp will be held at Athens Elementary School's current location at the Clinton Street Campus (former Athens Middle School) at 601 South Clinton Street.

Children will be introduced to school routines and basic kindergarten readiness concepts such as name recognition, colors, shapes, letter awareness, and counting. Students will engage with other kindergarten students through informal activities, such as art and music, designed around a summer camp theme. Snacks will be provided each day. This summer program is available for children who will be 5 years old by September 1, 2021, and would benefit from orientation to the school experience. Our goal is to help students adjust more easily to the beginning of kindergarten in the fall by becoming familiar with the school building and some of our teachers.

There is no cost for this program! We hope that you will take advantage of this learning opportunity for your child. Please complete the attached registration form and return to **iAcademy at Athens Elementary, 601 S. Clinton St., Athens, AL 35611**, by July 9, 2021 to enroll your child. OR you can enroll them online by visiting this link: <http://bit.ly/AESkindercamp>

We will follow up with an email about any specifics you need to know before the first day of camp. We look forward to meeting your child on July 19<sup>th</sup>. If you have any questions, please call the school office at 256-233-6609.

Sincerely,

Amanda Tedford  
Principal
